BACKDROPS FOR RED CARPET EVENTS

# HEDGE WALLS

- Three-dimensional
- Can be placed in the middle of event space and looks great on all sides
- No “planter box” at bottom for full visual impact
- Self-standing, very heavy, durable and stable
- 8' x 4' sections can be placed side-by-side but are not as seamless as Hedge Flats

*walls*

# HEDGE FLATS

- One-sided (Place against wall as back shows frame)
- Perfect for long walls with seamless look
- Great for alternating with media walls
- Can be custom built to any size or shape
- Easier to get into tight spaces or venues on the top floor

*flats*

Choose from a variety of  
*Foam Flowers*

We have more kinds of flowers available, so let us know what kind of flowers you are interested in!

# *cut-outs*

We specialize in custom cut-out lettering, logos and shapes that attach to hedge walls perfectly. Each logo and shape is cut out of black or white foam of various sizes. Let us know your ideas.

Are you looking to create something  
*unique & out of the box?*

Let us know your ideas and we can help you create the look you are going for.
